

OFF – CAMPUS DRIVE OF SANS PAREIL

825 Students from 20 different colleges participated in the pooled drive conducted at MAM College Campus by Sans Pareil on 1st November 2014. The drive started with a pre – placement presentation by Mr Allen – CEO of Sans Pareil. This was followed by a test lasting 45 minutes. The students who applied for the technical JD (entry level professional - ELP) took the technical test while the students applying for the business development executive (BDE) and the talent acquisition executive (TAE) took the aptitude test. After the tests 42 candidates were short listed for the BDE and TAE. 14 of them were from our college. For the ELP option 35 students were shortlisted, 7 of them were from our college.

This round was followed by a Personnel interview After the HR rounds 20 students were given offers for the BDE and TAE jobs, 8 of which were to our college students while 12 students were given offers for the ELP job 3 of which were to students of our college. It was very heartening to see the CEO of the company staying back to personally hand over the offers directly to the successful candidates.

The 8+3 = 11 successful students are:
