

DEPARTMENT OF CIVIL ENGINEERING

Saranathan Civil Engineering Students Association (SCESA) organized an Industrial Visit to Railway Museum, Railway Zonal Training School, Tiruchirappalli-1 and Waste Water Treatment Plant at Sarkarpalayam, Trichy on 26/02/2019 (Tuesday) for III year Civil Engineering Students. Students gained more knowledge on Rails, Types of Rails, Ballast Materials, Sleepers, Fixtures and Fastenings in the Railway Track, Different yards in the Railways, Points and Crossings, Signalling and Interlocking, Safety and Precautions. They collected more information about the History and Development of Railways during visiting the Railway Museum. They also visited Water Treatment Plant and Sewage Treatment Plant at Sarkarpalayam. There also Students directly saw the Treatment process for both Water and Waste Water which was very useful. Overall students updated their knowledge after visiting the Treatment Plants apart from theoretical knowledge.

III year students at Railway Museum-Trichy.

III year students at Railway Zonal Training School -Trichy.
