SARANATHAN COLLEGE OF ENGINEERING

Venkateswara Nagar, Panjappur,
Tiruchirapalli – 620012.

Two Days

Faculty Development Programme
on

"Engineering Chemistry"

11th & 12th JULY 2019

Organized by
Department of Chemistry

About the Institution

Saranathan College of Engineering is the brain-child of the great philanthropist **Vidya Seva Ratnam Shri K.Santhanam** who named the college after his illustrious Guru **Prof. V. Saranathan**, the ever greatest Principal and an educationist par excellence of yester-years. The sprawling campus of the college is located on the Trichy-Viralimalai-Madurai National Highway. It offers seven UG programs and five PG programs of which six UG programmes are NBA accredited. All departments are affiliated to Anna University-Chennai and approved by AICTE-New Delhi. The college has a galaxy of well-qualified and dedicated teaching faculty members, spacious classrooms, smart lecture halls, conference halls, well-stacked digital library with online journals and well equipped laboratories with advanced equipments for research and academic activities.

About the Department

The Department of Chemistry has been engaged in opening up the fascinating world of chemistry to B.E and B.Tech students since 1998. The main objective of the department is to impart knowledge to the students in basic areas of chemistry and also in environmental science and engineering. The department has been promoting academic and other co-curricular activities related to various disciplines of chemistry with the help of well qualified staff members.

Theme of the FDP

The theme of this FDP is to enhance the knowledge of the faculty members handling the course **CY8151-Engineering Chemistry** in Engineering Colleges affiliated to Anna University-Chennai, with skills and knowledge, which in turn helps to disseminate that knowledge to the student community. The FDP also aims at exploring potential research areas in Chemical sciences.

Topics to be covered

- ❖ *Water Technology*
- ❖ *Adsorption chemistry*
- ❖ *Biomaterials*
- ❖ *Catalysis & Nanomaterials*
- ❖ *Electrochemistry*
- ❖ *Energy sources & storage devices*
- ❖ *Fuels and Combustion*

Resource Persons

Eminent speakers from Indian Institute of Technology(IIT)-Madras, Anna University-Chennai, National Institute of Technology(NIT)-Trichy, Central Electrochemical Research Institute (CECRI)-Karaikudi and Bharathidasan University (BDU)-Trichy are being invited to deliver lecture for the programme.

Registration Details

There is **NO Registration Fee** for the program. The selected candidates will be intimated by e-mail. Confirmation of participation is to be made by sending reply e-mail. No TA/DA will be paid.

Eligibility & Selection Criteria

Faculty members handling Engineering Chemistry in the affiliated colleges of Anna university-Chennai are eligible to apply. As number of seats is limited, the participants will be selected on first come first serve basis.

How to apply

The completed application form (duly signed by the Head of the institution) may be sent to the mailing address given below on or before **6th July 2019**.
