

SARANATHAN - JAYANTHI

Today, the 6th January we celebrate Saranathan Jayanthi. Saranathan - that well known educationist who was the Principal at National College when our Founder-Secretary, **“Vidya Seva Rathinam, Guru Seva Mani Auditor K.Santhanam”** was a student under this famous English literature teaching personality. Apart from being a great teacher **“Principal Saranathan”** was an able administrator in whom our Founder Secretary found the perfect role model for his own leadership qualities.

We all, the Sara family, bear Saranathan's illustrious name and hence have a great responsibility to sustain his eminence. We all therefore as a humble homage to this great teacher re-dedicate ourselves to continue delivering quality technical education to the budding engineers of the next generation.
