

SARANATHAN COLLEGE OF ENGINEERING

DEPARTMENT OF MECHANICAL ENGINEERING

Guest Lecture programme on “Recent Trends in Supply Chain Management”

The Department of Mechanical Engineering, organized a guest lecture programme on “Recent Trends in Supply Chain Management” on 12th February 2018 at 9.15 AM, in which, Mr Vijay Subramaniam, Founder & CEO of Praana Consulting, was the invited guest. He delivered a special lecture on Recent Trends in Supply Chain Management which has gained momentum in recent days and role of youth in readiness towards it. His lecture was very informative and thought provoking making the session very interactive. He also addressed the trends in supply chain management in an engineers’ career. He insisted the students to pursue career in management which will be helpful on career prospects. The students were very much benefitted by his inspiring lecture. A separate ice-breaking session was conducted in order to clear doubts.
