The Session started with the introductory speech by Head, T&P. He shared the current placement status of our institution with a comparative data with last year's placement record. He also shared valid points with the students regarding their roles and responsibilities, how to improve their academic and aptitude skills, what the company exactly requires and introduced the Resource person Mr. V.G. Naresh Kumar.

Mr. Naresh Kumar from AON -Cocubes started the session directly with an interaction with students. He told the students that the session should be completely interactive and insisted them to ask more queries so that it will be livelier. He also delivered his talk with a power point presentation.

He gave a brief note of his role in AON – Cocubes for upgrading student's placements and he explained what AON does. Then he continued sharing his knowledge and explained about the AON - Cocubes portal and the importance of AON - Cocubes Score for placements. He also the specified that how AON - Cocubes score is valuable for placements like other higher education entrance scores like GATE, CAT etc. He shared a slide on the type of tests that AON - Cocubes conduct like aptitude, verbal, coding etc. with duration and marks.

He motivated the students on how to prepare for interviews, how to enhance their logical and reasoning skills, how to prepare a resume.

He also shared the information regarding how to view test reports individually and how the portal can be used effectively.

Finally few students raised queries and Mr. Naresh Kumar interacted with them and clarified their doubts. The session was signed off and the students received an awareness about the AON - Cocubes portal and its scores.
