## About our institution

Christened after the great professor V.Saranathan, the renowned educationist of yester-years, this institution was the brain-wave of the great philanthropist Vidya Seva ratnam Shri K-Santhanam. Located on the Trichy-Viralimalai –Madurai highway sprawled over 40 acres of land. It offers six UG programmes and four PG programmes, all affiliated to Anna University, Trichy with approval of AICTE, New Delhi.

## Department of ECE

It has full-fledged laboratory facilities, modern equipments with a excellent infrastructure. The department has a blend of rich experience at doctoral level coupled with younger brains with a good supporting staff. Note worthy feature of the department is that it has achieved “**State First**” in December 2008 Anna University Chennai Examinations.

## Trichy city

Situated in the heart of Tamilnadu, blessed with the holy river Cauvery and Lord Vinayaka from Rockfort & Bhooloka Vaikuntam, Srirangam on both sides.

## Objectives of the conference

Advancements in the field of electronics have been rapid, commencing from the days of vacuum tube technology to today’s VLSI with innovations progressing beyond one’s imagination. Our aims are to be in line with the latest technology and updating with the recent developments in this National Conference. It should translate our ambitious mission to be a leader, second to none, in the field of electronics. This Conference will analyze the emerging trends in consultation with the research scholars & professionals to consolidate the outcome and offer a better platform to the Engineering community.
