

Saranathan College of Engineering, Trichy-12

Department of IT

CodeChef provides a lucrative user-friendly platform for a beginner to expert coders to participate and hone their skills in competitive coding.

CodeChef was created as a platform to help programmers make it big in the world of algorithms, computer programming and programming contests. Today the CodeChef community has grown to over 2.2 M+ programmers from different parts of the globe.

It is an innovative way to motivate the students to practice coding and submit coding assignments online.
