## Lecture on “Geometric & Dimensional Tolerancing”

The Department of Mechanical Engineering, organized a lecture on “Geometric & Dimensional Tolerancing” on 7<sup>th</sup> November 2015 at 2 PM, in which, Mr.GOWTHAM, Senior CAD Engineer, CADD Centre, Trichy, was the invited guest. He delivered a special lecture on recent trends in the field of Geometric Dimension and tolerancing and the role of youth in bridging the gap in the industrial applications of Dimensional and tolerancing. His lecture was very informative and thought provoking making the session very interactive. The students were very much benefitted by his inspiring lecture. He also insisted students to take up the course in CAD field and pursue project work in the field of Design.
