

SARANATHAN COLLEGE OF ENGINEERING, TIRUCHIRAPPALLI – 12
DEPARTMENT OF MECHANICAL ENGINEERING

25/07/16

We are a member institution of ICT Academy of Tamilnadu (ICTACT). We conducted Autodesk software course –Autodesk AutoCAD for our II year students this semester. 36 students from second year had enrolled for this program. We had a one day workshop on July 22th 2016 where resource persons from Autodesk came over to our college campus and shared few valuable ideas about the software and a mock test was conducted on the same day. On July 23th 2016 students were made to take up International Autodesk AutoCAD certificate exam which was an online test.
