

SARANATHAN COLLEGE OF ENGINEERING

DEPARTMENT OF MECHANICAL ENGINEERING AND SAE CLUB

Guest Lecture on “Steering and suspension in ATV”

The Department of Mechanical Engineering organized a guest lecture on “Steering and suspension in ATV” on 21st December 2017 at 2 PM, in which, Prof T. VENKATESAN, Managing Director, Fifth Wheel Drive was the invited guest. He delivered a special lecture on recent developments in Steering and suspension technology. He highlighted the basic principle involved in the steering action and suspension systems in automobile, followed by its application in real-time life. His lecture was very informative and thought provoking making the session very interactive. The program started with the prayer song. He also addressed the role of young minds in the field of automobile and encouraged the students to take up projects in this area. The students were very much benefitted by his inspiring lecture
