Department of Mechanical Engineering

NON DESTRUCTIVE TESTING WORKSHOP

CONDUCTED BY

EVERSHINE INSTITUTE OF TESTING AND

TRAINING DATE: 26-07-18

TIMING: 9.15-4.45(one day workshop)

Workshop began with inauguration by Dr. N.Baskar. He enlightened us by giving a brief introduction about NDT. 45 third year students were divided into three batches and each batch was assigned to a trainer. There were five tests, namely **Liquid Penetration Testing, Magnetic particle testing, Radiation testing, Ultrasonic testing, Fluid testing**. Within a day, students were able to learn most aspects about N
