**A Paradigm Shift in Product Design & Development
using CAD/CAM/CAE Tools**

18/11/2019 to 23/11/2019

The Department of Mechanical Engineering of Saranathan College of Engineering, Trichy organized a one week Short Term Training Programme (STTP) titled "A Paradigm Shift in Product Design & Development using CAD/CAM/CAE Tools", from 18th November 2019 to 23rd November 2019. This program was sponsored by AICTE, New Delhi. Mr. Karthik Kandasamy, Technical Director, CADOpt Technologies Private Limited, Bengaluru delivered keynote address on 18th November 2019. He explained about recent trends in product development. The training program had twenty three technical sessions in which experts from corporate and academics delivered lectures on various topics relevant to the main theme of the program. Earlier, in the inaugural ceremony, Dr. G. Jayaprakash, HoD/Mechanical Engg., delivered welcome address and our Principal, Dr. D. Valavan, offered felicitations and introduced the keynote speaker for the first session. The training program concluded with valedictory address by Dr. Ramesh Unnikrishnan, Director - AICTE, New Delhi, who deliberated on various strategies followed by AICTE to overcome the major obstacles and barriers of engineering education. He also distributed certificates to the participants of various colleges. The number of external participants was thirty three and internal participants are fifteen.
